THEN WHAT HAPPENS?

We take on board all your comments and finalise the Plan

The Plan goes to be agreed by Leeds City Council, who have supported us throughout.

An Independent Inspector checks the Plan, to ensure we've done everything properly, on your behalf.

And finally, a Referendum of the village is held. With a "yes" vote of 50% or more, the Plan is approved! It must then be taken into account in any planning decisions which affect our village.
