Miller Homes and Grove Road

Well - after 4 long days the inquiry ran out of time. Little mention was made of Grove Road in real terms with argument and counter argument from both sides which seemed to centre on Leeds Core Strategy and its ability to deliver on new houses built across Leeds. Witnesses seemed to trawl through report after report piled up in front of them. The inquiry will reconvene for one day on June 6th starting at 09.30 in the Village Hall. Cllr John Procter will now be speaking at the Inquiry which will hear any remaining cross examination and then closing statements from both parties. The Inspector will make a separate visit to the site and to Martin House before the Friday start.

Welcome Packs

The Parish Council has now delivered its first batch of the much awaited "Welcome Packs" to new people moving into our village. These are filled with lots of useful information along with several walking maps designed to get people out and about discovering the beautiful landscape we have around our village. If you are new to the village and have not received your pack, please let our Clerk know, giving your name and address and she will ensure that one is delivered to you.

Gala Day Saturday June 14th 1.00 til 4.00pm

This promises to be a fantastic afternoon for the whole family, with stalls galore, children's funfair, entertainment, marching band, food, beer and tea tents not to mention fun races for children. This year to celebrate the Tour coming to Yorkshire, there will be a distinctive French theme, in both the Fancy Dress Procession which leaves St Mary's Church at 12.45 and on Stables Lane. It's not too late to grab a stall, if interested simply email bostonspagala@gmail.com
